

PTC Creo 4.0 - Student Edition - Quick Installation Guide

1. Download the **PTC Creo 4.0** DVD image:

- www.ptc.com/appserver/auth/it/esd/academicFree.jsp
 - If necessary, enter your PTC username (your email address) and password, and then click **LOG IN**.
Create an account at www.ptc.com/appserver/common/account/ptcacademic.jsp
 - Accept the Export Agreement and then click **Continue**.

2. **If this is the first time you install Creo please jump to the next step.** If you had older Creo editions installed on your computer please go to **C:\ProgramData\PTC\Licensing** and delete all the older licenses (you can also move them to another folder until the Creo 4.0 is installed). After the folder is empty you can proceed with the next step.

*Please note that **ProgramData** folder is a hidden folder. The easy way to access this location is to simply copy **C:\ProgramData\PTC\Licensing** and paste it in the Windows explorer.*

3. **Unzip** the downloaded DVD image (MED-100WIN-CD-410_M###_Win64.zip):

represents the build code of Creo you downloaded. The actual number will vary as additional Creo builds are released.

Right-click the downloaded  zip file, select **Extract All** and then select a location the DVD will be unzipped to. *Select a location you can easily access, such as your Desktop.*

- Use Windows Explorer to open the resulting **MED-100WIN-CD-410_M###_Win64** folder.
This folder can be copied to a shared drive, DVD or thumb drive and then be used to install the software on other computers.
- Temporarily disable all firewall, anti-virus and anti-spyware applications.
- Run **setup.exe**.
 - Right-click **setup.exe** and select  **Run as administrator** from the pop-up menu.

4. From the PTC Installation Assistant dialog box:

- Select **Install new software** and click **Next**.
- **Accept** the license agreement and click **Next**.
- In the **Simple License Entry** product code field, enter the product code **BK410705EDSTUDENTUNICL** and then click **Install Licensing**.

The screenshot shows the 'PTC Installation Assistant' window. On the left is a navigation pane with steps: Introduction, Software Agreement, Licenses (selected), Application Selection, Installation, and Finish. The main area is titled 'License Identification' and contains the following elements:

- A sub-section 'Simple License Entry' with the instruction 'Enter your Sales Order # or Product Code.' and a text input field containing 'BK410705EDSTUDENTUNICL'. An 'Install Licensing' button is to the right of the field.
- A sub-section 'Advanced License Entry' which is currently collapsed.
- A sub-section 'License Summary' with instructions: 'Detected license sources are listed below. Click the "-" button to remove unwanted sources from the list. Click the "+" button to add more entries into the list. If you already have a license file, drag and drop it into the field below.' Below this is a table with columns 'Source' and 'Status'. The 'Source' column contains a text input field with a '-' button on the left and a '+' button on the right. Below the table, the 'Host ID: 3C-A9-F4-9E-8E-1C' is displayed.
- A 'Skip Licensing' checkbox at the bottom left.
- 'Back' and 'Next' navigation buttons at the bottom right.

- Enter your PTC username (your email address) and password.
- Click **Login**.
- When you see the **“Success!”** message, click **Next**.
- In the application list, deselect all the applications you do not need, and then click **Install**.
- After the installation is complete, click **Finish**.

You are now ready to use PTC Creo 4.0 - Student Edition
