

Mathcad Prime 3.1 – K12 Use – Quick Installation Guide

- Download the **Mathcad Prime 3.1** DVD: www.ptc.com/appserver/lm/mathcad/download/index.jsp
 - If necessary, enter your PTC username (your email address) and password, and then click **LOG IN**.
Create an account at www.ptc.com/appserver/common/account/ptcacademic.jsp
 - Enter your **Product Code** and click **Next**.
 - Expand **Release Prime 3.1, Mathcad Prime 3.1** and then **Most Recent Datecode**.
 - Click **Download Manager** to begin the download.
*The **HTTP** link will also work but may be slower.*

2. **Unzip** the downloaded DVD image (MED-60893-CD-230_M###.zip):
represents the build code of Mathcad you downloaded. The actual number will vary as additional Mathcad builds are released.
 - Right-click the downloaded  zip file, select **Extract All** and then select a location the DVD will be unzipped to. *Select a location you can easily access, such as your Desktop.*
 - Use Windows Explorer to open the resulting folder **MED-60893-CD-230_M###** folder.
This folder can be copied to a shared drive, DVD or thumb drive and then be used to install the software on other computers.
 - Temporarily disable all firewall, anti-virus and anti-spyware applications.
 - Run **setup.exe**.
 - When installing on Windows 7, right-click **setup.exe** and select  **Run as administrator** from the pop-up menu.

3. From the PTC Installation Assistant dialog box:
 - Select **Install new software** and click **Next**.
 - In the Software Agreement section:
 - **Accept** the license agreement.
 - Agree to the **Export Agreement**.
 - Click **Next**.
 - Click **Install**.

4. From the Microsoft .NET Framework 4 Setup dialog box:
 - Verify that you have read and accept the license terms.
 - Click **Install**.
 - After the .NET installation is complete, click **Finish**.
5. When the installation progress is complete:
 - Click **Finish** from the PTC Installation Assistant dialog box.
6. Start the Mathcad License Wizard:
 - Click **Start**.
 - In **All Programs**, click to expand the **PTC Mathcad** Folder.
 - Right-click **PTC Mathcad License Wizard** and select  **Run as administrator** from the pop-up menu.
7. From the Mathcad License Wizard dialog box:
 - Select **Activate purchased license** and click **Next**.
 - Enter your PTC username (your email address) and password, and then click **Next**.
 - Enter the below **Product Code** and then click **Next**.
MT310506EP2360-YSXJ-QDP9
 - Ensure that **PTC Mathcad Prime 3.1** is selected and click **Acquire License**.
 - After Mathcad acquires a license (via the internet), click **Exit**.
Your Mathcad installation is now fully licensed. Note that for backup reasons, your license will also be emailed to you. Save this for future reference.y licensed.

You are now ready to use Mathcad Prime 3.1 – Student

Get started by using the tutorials found in the Mathcad **Getting Started** tab:

- Signup for a [Schools PLMS](#) account and then run this [this executable](#) to also use Mathcad's embedded **LearningConnector**.
